Summary

web developer with a focus on crafting visually appealing and responsive interfaces using Figma, HTML/CSS, Tailwind CSS, and JavaScript. Proficient in React.js for dynamic web experiences and backend development with Node.js, Express.js, and Python frameworks. Skilled in database management, particularly MongoDB, ensuring seamless data integration. A dedicated learner committed to delivering clean, maintainable code. Excited to contribute technical expertise and innovation to dynamic projects.

Experience

The Boring Education

Aspiring Full Stack Web Developer with a strong foundation in Frontend Technologies (HTML, CSS, React.js) and Backend Development (Node.js, Express.js, MongoDB). Proficient in UI/UX Design using Figma and adept at responsive web design with Tailwind CSS. Skilled in JavaScript for dynamic client-side interactions and Python for backend scripting. Eager to contribute innovative solutions and learn in a dynamic development environment.

Education

NavGurukul
2022
Software Engineering

🔗 https://www.navgurukul.org

Navgurukul Was Started in 2016 by Abhishek Gupta (IIT-ALMUNUS) & Rishav Verma (Self Taught Programmer) ,Navgurukul runs a Fully Funded Residential Software Development Cource For Students From UnderServed and Diverse Communities.

HyperVerge Acadmy
Aug 2023–Present
Web Development

🔗 https://hyperverge.co

Successfully completed the Full Stack Web Development program at Hyperverge Academy, where I received comprehensive training in the latest technologies and industry best practices. I have gained practical, hands-on experience in developing modern and responsive web applications.

EDGE(Govt Of India)
2020–2021
Accounting

- **Comprehensive Accounting Training:**Successfully Completed a One-Year Comprehensive Diploma Program at EDGE Institute of Accounting. Acquired in-depth Knowledge and Practical Skills in Accounting Principles, Financial Management, And Taxation.

- **Hands-on Experience:**Gained Hands-on Experience in Utilizing Accounting Software and Tools, Enhancing Proficiency in Financial Data Analysis, Budgeting, and Reporting.

- **Thorough Understanding of Financial Practices:**Developed a Strong Foundation in Financial Practices, Including Bookkeeping, Ledger Maintenance, And Compliance With Accounting Standards.

Skills

Figma
Proficient in Figma, a collaborative design tool, for creating visually appealing and user-centric interface designs.

HTML/CSS
Strong command over HTML and CSS, ensuring the development of well-structured and responsive web pages.

Tailwind CSS
Skilled in using Tailwind CSS to streamline the styling process, resulting in efficient and maintainable stylesheets.

Advanced JavaScript
In-depth knowledge of JavaScript, including ES6 features, enabling the implementation of complex frontend functionalities.

React Js
Experienced in React.js, building dynamic and interactive user interfaces for modern web applications.

Node Js
Skilled in Node.js for server-side scripting, facilitating the development of scalable and efficient backend solutions.

Express Js
Proficient in Express.js, a Node.js framework, for building robust and RESTful APIs.

Mongodb
Well-versed in MongoDB, utilizing its NoSQL capabilities for efficient data storage and retrieval.

Data Structures and Algorithms in Python
Acquired a solid foundation in Data Structures and Algorithms using Python. Implemented and optimized various algorithms, including sorting, searching, and graph traversal, demonstrating proficiency in problem-solving and algorithmic thinking. This knowledge enhances the efficiency of coding solutions and contributes to building robust software systems.
